*Honors

**High Honors

This, our school,

And we, the students,

**Middlebury Union High School
Middlebury, Vermont**

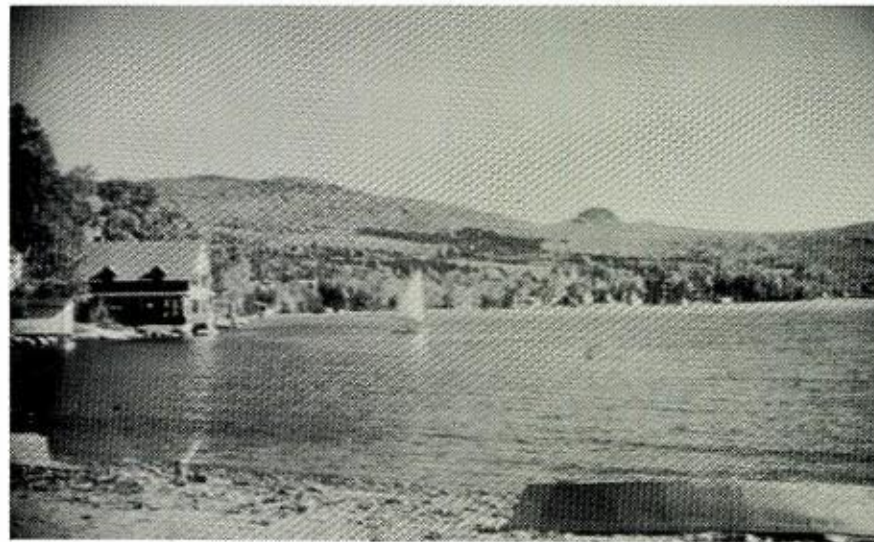

Are an integral part of our town,

Nestled in the foothills of the Green Mountains.

Resplendent in all seasons, rugged, and unconquerable,
The Green Mountains have inspired,

challenged, and consoled us throughout
our high school career.

To those of you who have opened
our eyes to our environment, and to
those of you who have been privileged
to view it with us, we are honored to
present the 1961 QUATRIN.

SOPHOMORES

The Sophomores assumed new responsibilities during their second year of high school. They helped to orient the incoming Freshmen; they increased their own intellectual awareness by pursuing a variety of interesting courses. The year was filled with exciting and memorable events such as the annual Sophomore Dance and the receiving of class rings.

MERIT SCHOLARSHIP

Last year twenty-six M.U.H.S. students participated in the National Merit Scholarship Exam. Mary Hoag was awarded a letter of commendation. Susan Hitchcock and Esther Manning became semi-finalists.

OFFICERS: Edward Peet, Treasurer; Ralph Sargent, Vice President; Mark Saunders, President; Diane Quesnel, Secretary.

EXECUTIVE COMMITTEE: David Thomas, Pamela Gee, Tim Stalker.

JUNIOR MARSHALS

The Class of 1960 chose David and Eric Brooker as Marshals for the graduation exercises.

D.A.R. GOOD CITIZENSHIP GIRL

Susan Hitchcock was chosen by the faculty and the Senior Class to receive the 1961 D.A.R. Good Citizenship award. This honor was given to Susan on the basis of leadership, scholastic attainment, patriotism, personality, and citizenship.

VALEDICTORIAN: Mary Hoag; SALUTATORIAN: Susan Hitchcock.

HIGH HONOR STUDENTS: Pam Gee, Howard Cyr, Kathy Thomas.

The following students graduated with an average of 85 per cent or above: 1st. Sue Spooner, Carol Sears, Kathy Thomas, Diane Quesnel, Janice Phillips, Jiffy Volkert, Linda Davis, Roma Lambert, Joy Lipman, Kay Forgues. 2nd. Jim Welch, Dave Thomas, Gail Staples, Joan Murray, Kathy Billings, Janice Hornbeck, Sue Spaulding, Penny Vincent, Esther Manning, Alfred Wiederhold, Howard Cyr.

BOYS' AND GIRLS' STATE

Last June, ten M.U.H.S. Juniors attended Boys' and Girls' State which was sponsored by the Legion and the Women's Auxiliary. Through participation in mock town meetings and a general election, they learned how our state government operates.

DOREY CUP WINNERS

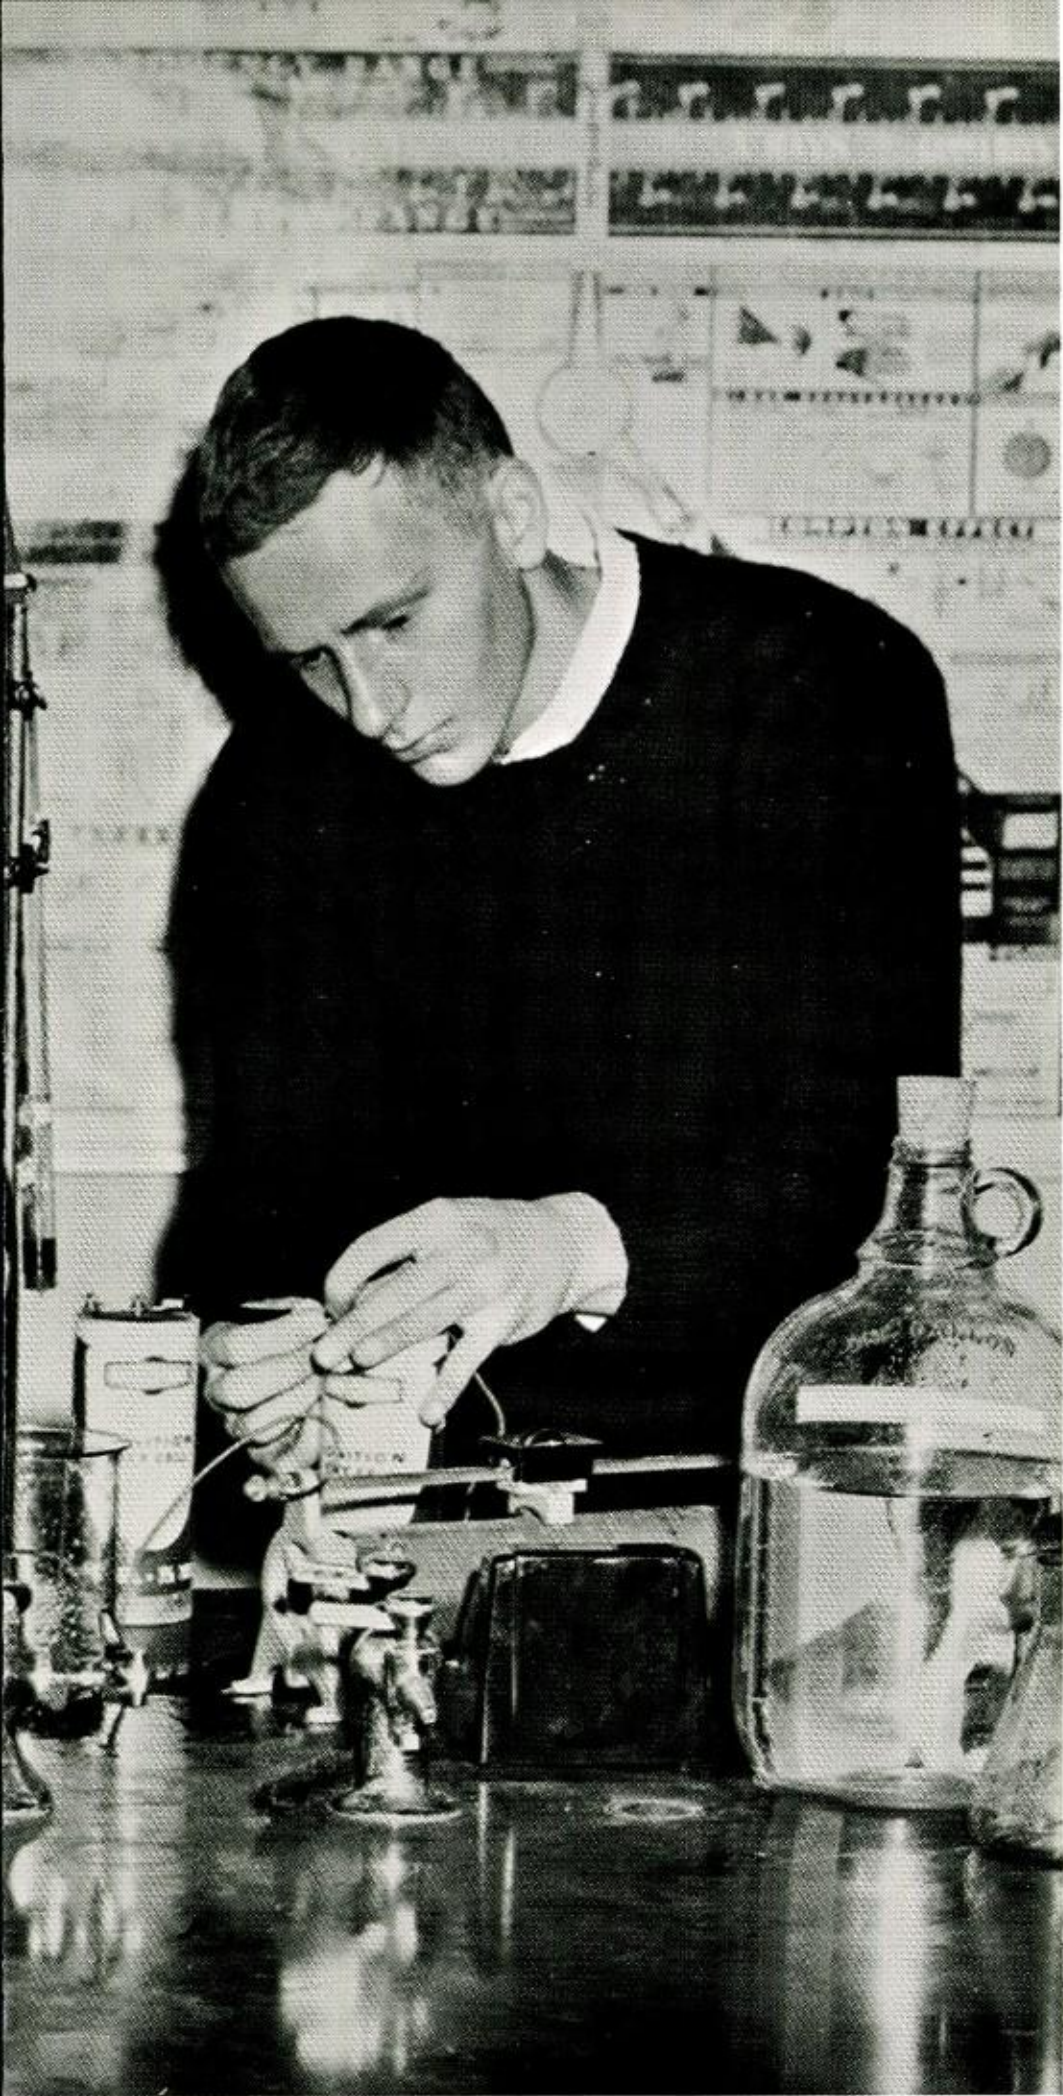

At last spring's commencement exercises, Jiffy Volkert and Tim Stalker were awarded the P. L. Dorey Cups on the basis of leadership, scholastic attainment, and athletic ability.

MODEL U.N.

Mary Hoag and Howard Cyr represented Lebanon at the Model U.N. Assembly held in Plymouth, N. H., last spring. They found the convention a stimulating experience and gained a clearer understanding of this international organization.

SCHOOL LIFE

JUNIOR HIGH

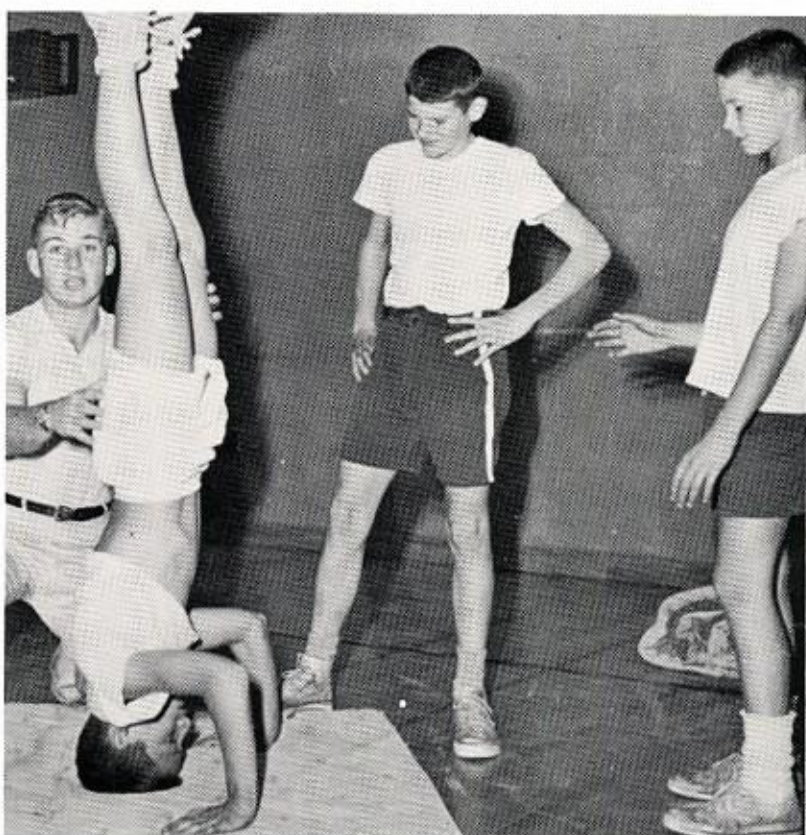

To meet the requirements of higher educational standards, the industrious Junior High student begins by sharpening his skills in reading, study, and grammar.

Seventh Graders increase their vocabularies by working with word cards.

A group of Junior High students improves reading skills.

Chris Mahoney and Rick Mackey enjoy watching Larry Quesnel use his head.

Anthony Shull makes good use of the dictionary.

Steve Morse completes an electric circuit; Dick Cram and Ted Foster stand by to give their assistance.

VARIED SUBJECTS

The major objective of Junior High Social Science classes is to provide the student with the opportunity to attain a greater understanding of the relationship between the past and the present.

AND ACTIVITIES

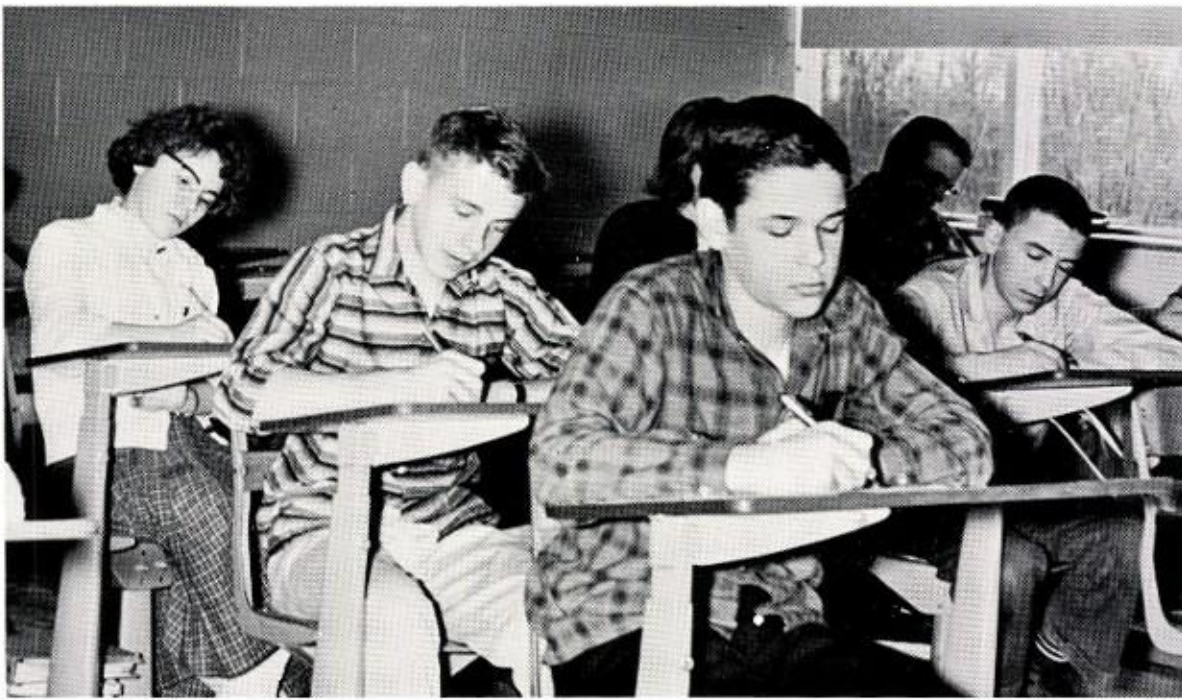

Chris Potter carries on a lively discussion in current events. Who won the election, Chris?

Upsy-Daisy!

Mr. Oxley demonstrates his talents on the baritone horn to Bonnie Stearns.

English I students finish their tests.

ENGLISH

Four years of English is required at MUHS. Through extensive grammar review, oral participation, research papers, and creative writing, the student learns to read comprehensively and to express himself clearly.

Concentration

Gary and Larry enjoy hot lunch, but Rick prefers to bring his own.

Jennie Johnson and Steve Huestis agree with Dick Sullivan as he points out the main paragraph to Judy Durfee in English I.

Tana Centano, Kitsy Andrews, and Claudia Bourcier listen to John Davis' talk about famous Greek and Italian parts of the work done in Latin I.

FOREIGN LANGUAGES

Three years of Latin and three years of French are offered at MUHS. Students find the study of Latin syntax helpful for the extension of their English vocabularies. Caesar, Virgil, and other great Roman writers are studied during the second and third years. Oral and written comprehension, and the history and culture of France are stressed at all levels of French.

French II students center their attention on Mr. Geno's comment.

Latin III students enjoy a good Roman joke.

Howard Cyr points out some of the interesting legend of Brittany to Jill Loweth and Irene Couture.

Anyone for Khrushchev?

SOCIAL SCIENCE

The aim of Social Sciences is to help the student understand himself and his relationship to mankind. World history links the past to the present and the required U.S. history parallels the American literature course given to Juniors. Beginning with the class of 1961, Seniors take a special U. S. government course which stimulates interest in civic affairs.

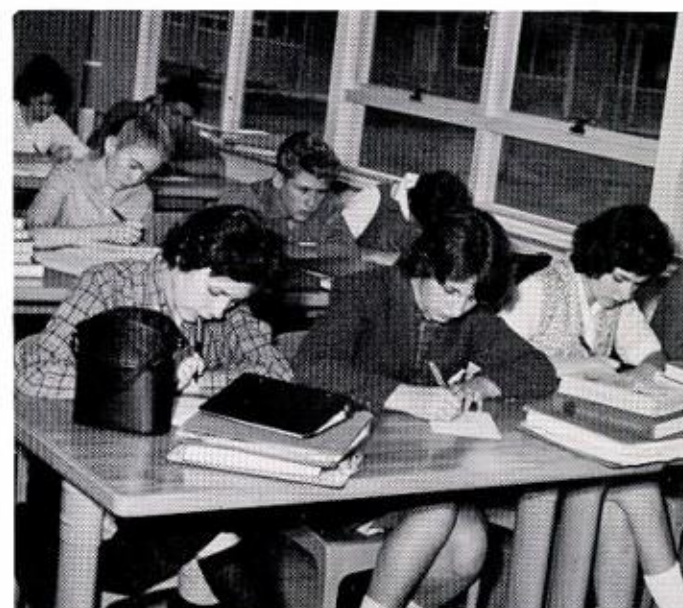

Mr. Cunningham is plotting another of his surprise quizzes.

Government discussion panels enlighten the entire group by supplementing class work with outside information.

'Legs!'", teachers' view in Social Science class.

Louise Adams indicates the geographical relationship between the U.S. and the rest of the world to Reg Boutwell and Judy Bristol.

PSYCHOLOGY

One of the newer courses at Middlebury Union High School is psychology, taught by Mr. Phinney. Outside reports and projects by the students supplement the text.

The psychology class enjoys Bill's informative report.

Hey!!

Gil agrees with JoAnne's world history answer.

SCIENCES

The Science Department consists of four courses — general science, biology, required of all students, chemistry and physics. These courses attempt to make the students more aware of the world around them and to promote interest in the scientific areas.

Raymond Barnes, Nancy Draper, and Bob Foster, general science students, listen to Mr. King's words of wisdom (?).

Biology students gather around to look at the interesting Echinoderm specimens.

Carol Holmes finds the hydra a most interesting specimen.

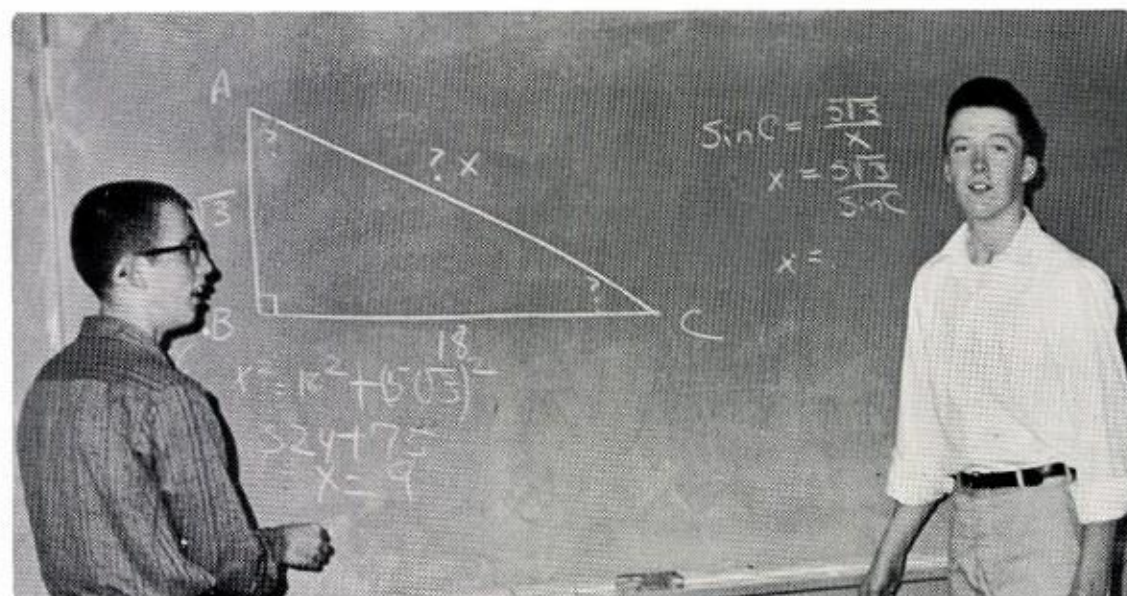

Physics students do a lab demonstrating Newton's Second Law of Motion.

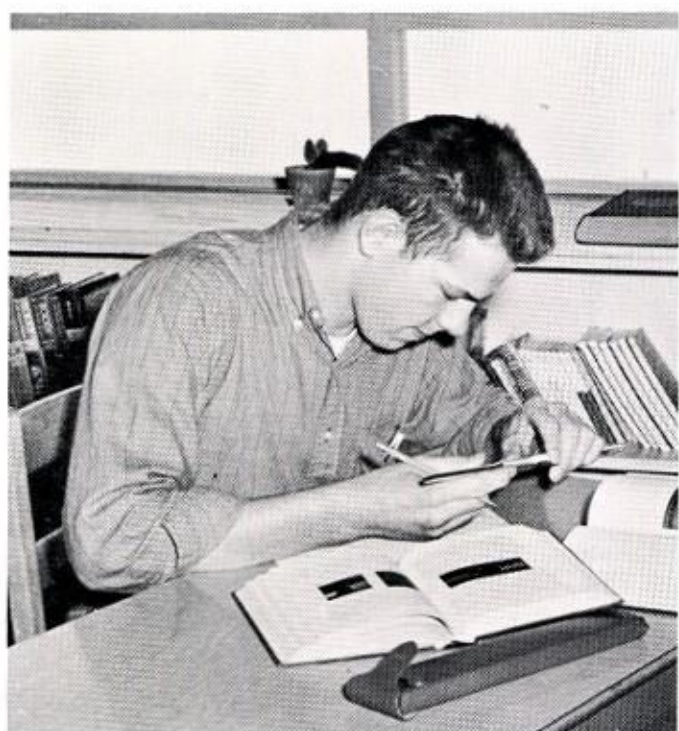

Judy Carlin and Margaret Betourney practice their skill with the analytical balance.

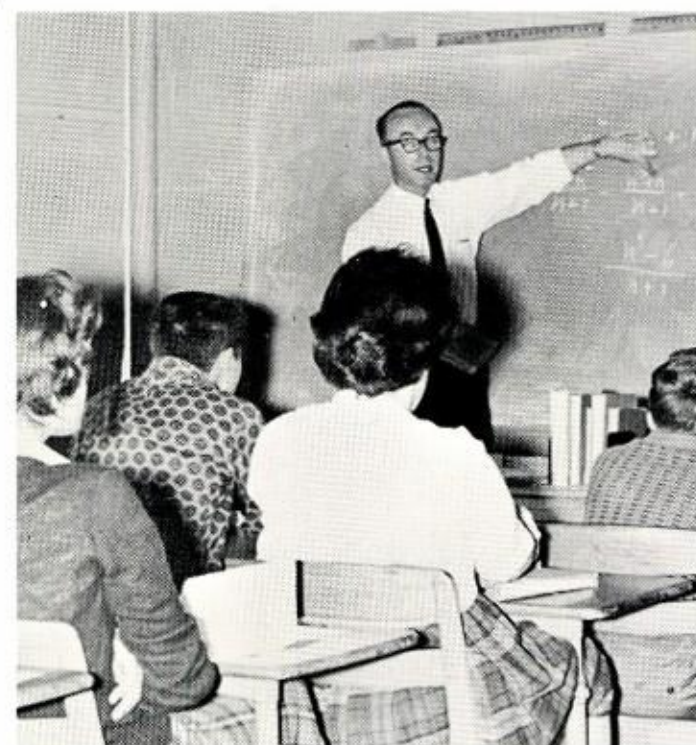

MATHEMATICS

Ray Gonzalez and Bill Willis seem to be certain their trig problem is correct. How about it, Mr. Tyler?

Tom Thomas is making some mighty calculations on the slide rule.

Mr. Tyler explains the complexities of Algebra I.

HOME ECONOMICS

The Home Economics Department offers courses in cooking, sewing, and child and family care for those students who wish to learn the correct procedure for these useful arts. Courses in advanced foods, home nursing and home furnishings are available for future homemakers. Some of our male students have found Home Economics courses beneficial.

How's your posture, girls?

The three MUHS chefs prepare some haute cuis'ine in the home economics kitchen.

Carol and Margaret make clean up after class fun.

Girls work diligently on their projects.

COMMERCIAL

Commercial courses train the student in such fields of business as stenography and bookkeeping. Seniors in office practice do actual secretarial work for the faculty members. College Preparatory students find typing a useful subject.

Marge St. Peter and Jane Knott primp during the ten-minute break.

These typing students work hard to improve speed and accuracy during a 3-minute timing.

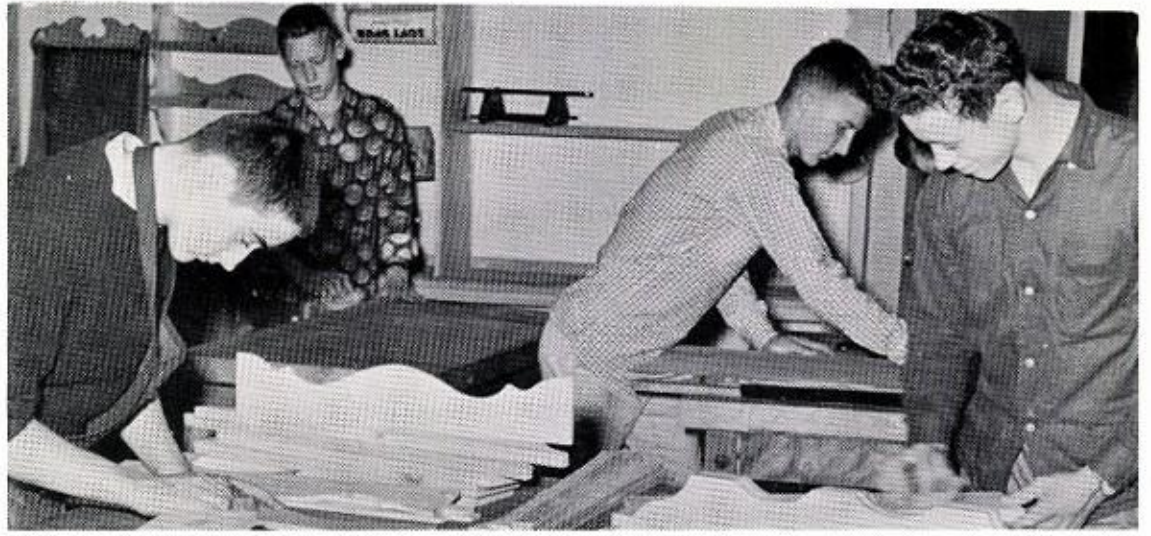

Sue and Dave seem to find the photographer much more interesting than the mimeograph machine.

That's quite some yarn, Pete!

INDUSTRIAL ARTS

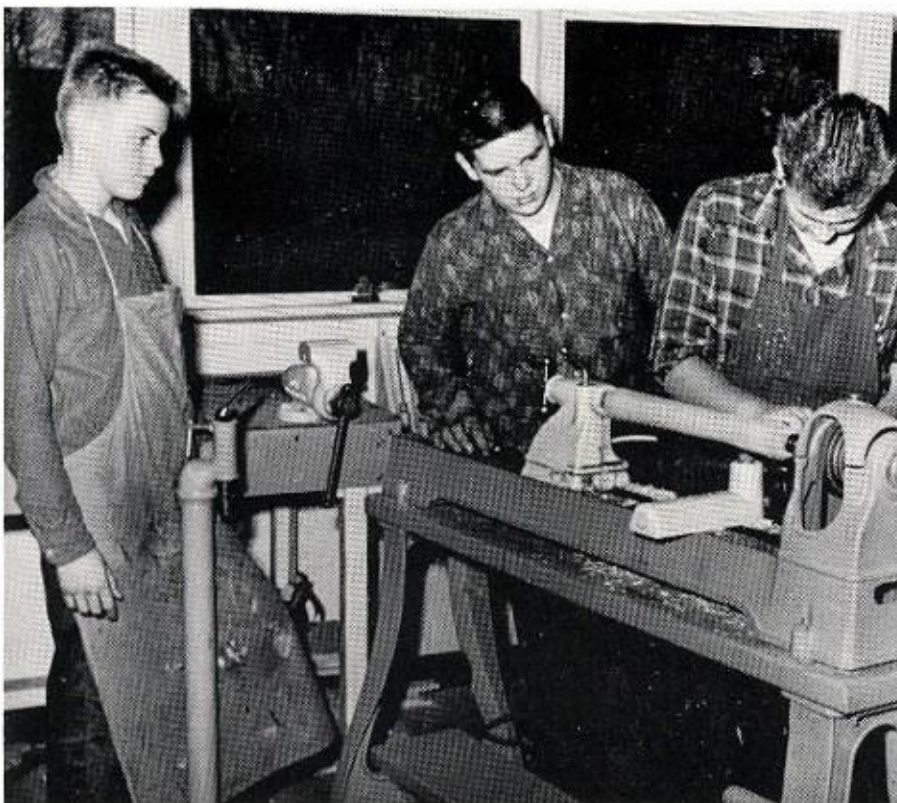

The Shop Courses range from a study of tools and materials to the actual planning, constructing, and finishing of class projects.

Paul Gonzalez and Mike Sullivan work hard at shelf-building.

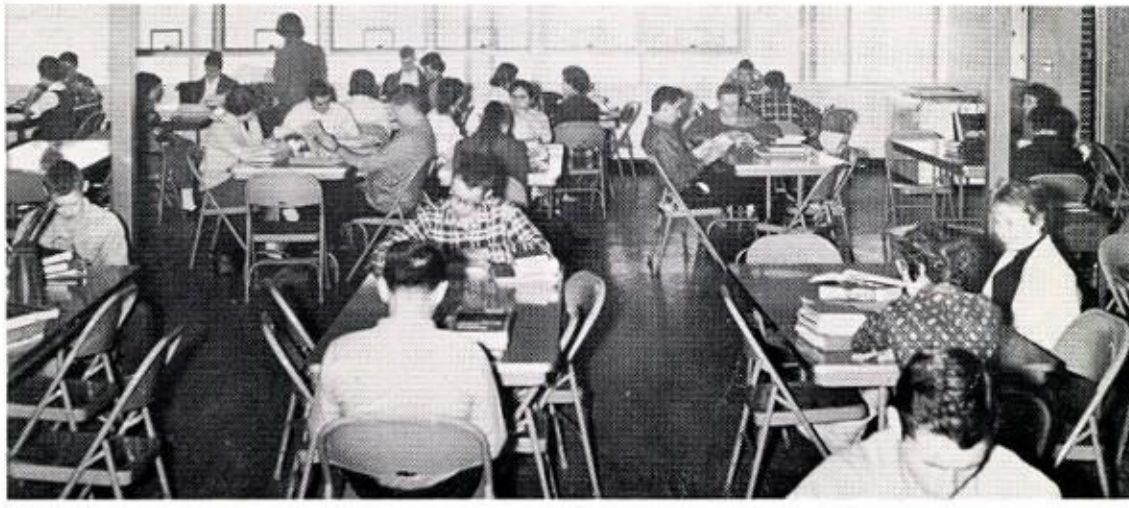

Harold Sunderland measures a pipe while Michael Galvin and Leighton Wilcox solder.

Willard Kimball and Roger Brown turn table legs on the lathe with Paul Steel's interested supervision.

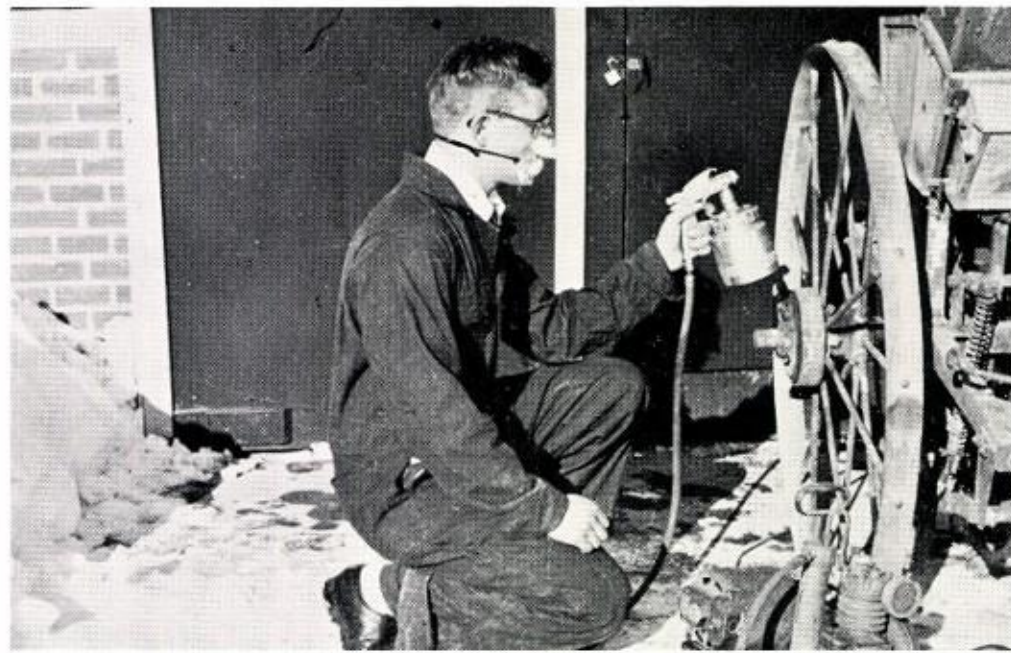

David Fenn and Paul DeCoster repair a tractor, part of the prescribed work in an agriculture class.

Students take advantage of a quiet study hall.

AGRICULTURE

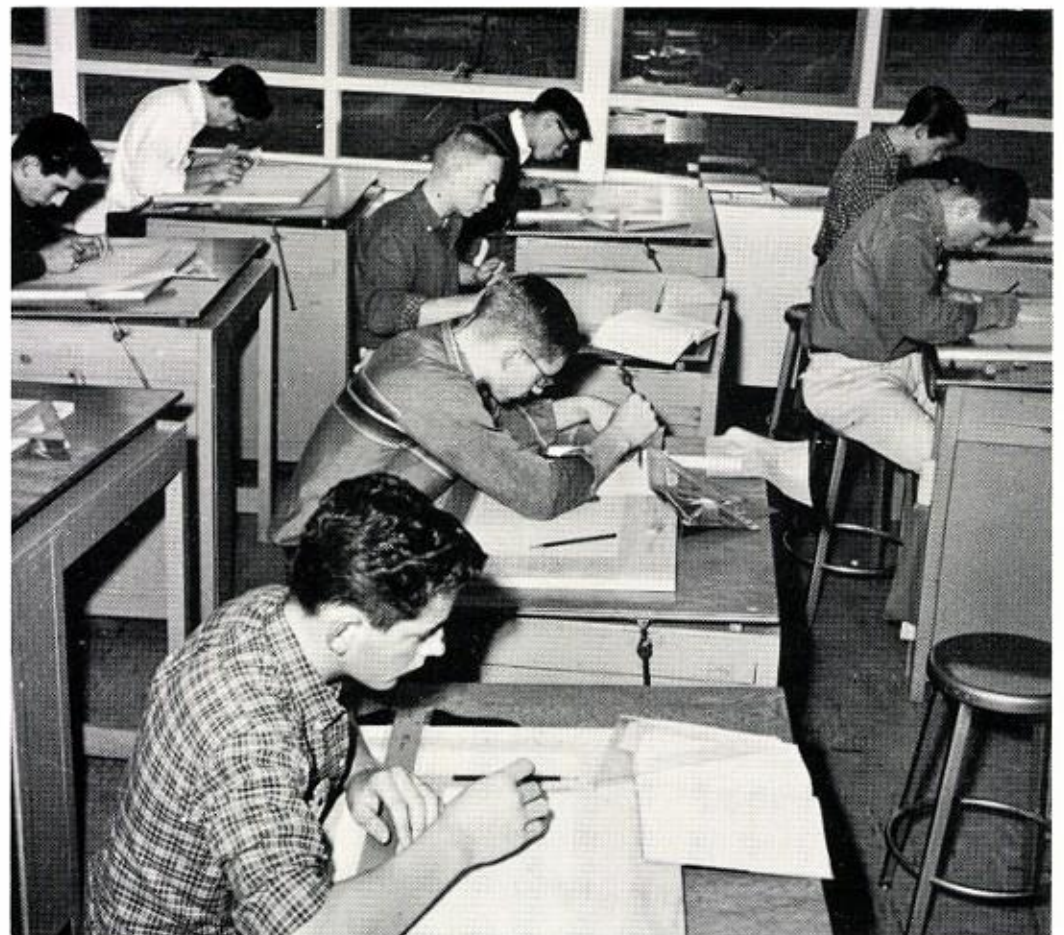

To promote skill in dairying and mechanical farm work, four years of agriculture are offered. During the last three years of the course farm projects such as electrical wiring, fencing, soil analysis, and animal husbandry are undertaken.

The MUHS Student Council, student governing body of our school, provides students with the opportunity to develop responsibility through leadership. This year officers were elected at large from the student body, a practice which will continue under the new constitution. The numerous activities of the Student Council include sponsorship of the paid assemblies, the ice cream machines, publication of the Winter Sports Schedule, and the Social Calendar. With Mr. Phinney as faculty advisor, the group participates each year in charity drives and sponsors the annual magazine drive. Activity tickets are sold to all students to finance the council's activities.

CLUBS AND

CENTRAL TREASURY

The Central Treasury handles the financial records for all school activities. Composed of students in advanced bookkeeping, the organization has been operating for over twenty years at MUHS. Mr. Cunha is faculty advisor. Kathy, Joan, and Sue check the accounts.

CONSOLE MONITORS

The console monitors are chosen by the National Honor Society. They read the morning and afternoon announcements, play records during lunch, and take turns tending the console during all periods of the day. Here Sue, Diane, Gail, Howard, and Dave give Norma some expert advice on sending an all call.

LIBRARIANS

The student librarians assist Mrs. Baker during their free periods by performing various necessary chores in the library. Here Barbara arranges the file cards while Rita checks out a book.

ORGANIZATIONS

DRAMATICS CLUB

The Drama Club, directed by Mr. Geno, promotes drama as a means of entertainment in our school, and gives students an opportunity to participate in many and varied productions. Here the officers talk over possible play productions; Norma Harvey, President; Pam Gee, Secretary; Linda Batchelder, Treasurer; and Pete Burton, Vice-President.

SCIENCE CLUB

The M.U.H.S. Science Club strives to promote interest in science at school, as well as to keep its members informed of new scientific developments. To highlight its activities, the club, advised by Mr. Wesley, sponsors an annual Science Fair to which members are encouraged to contribute individual projects. Here Tom Thomas, Howard Cyr, Linda Davis, Esther Manning, Susan Hitchcock, and Charles Billings watch the operation of the electro-static machine.

FRENCH CLUB

Le Cercle Francais gave the advanced student in French a chance to use the French language in broader activities than permitted in the classroom. With Mr. Geno as faculty advisor, the club held monthly meetings featuring French literature, art, and philosophy as well as films, and exhibitions. Janice Phillips, President; Jiffy Volkert, Treasurer; Diane Quesnel, Secretary; and Carol Sears, Vice-President, discuss the next meeting of the club.

Mary directed production, Susan supervised photography, and Mark designed the cover.

Jiffy, Bill, Diane, Kathy, and Jim check their lay-outs.

1961 QUATRAIN

The Yearbook staff is responsible for making the Quatrain a complete and interesting account of the school year.

Under the supervision of Mr. Blakely, the Quatrain staff worked to make the 1961 Yearbook new and effective.

Gail, Miss Annable, and Mr. Blakely supervised the entire production of the Quatrain.

Carol, Linda, Joy, Janice, and Joan discuss the copy they have written.

Pam, Ralph, Sue, and Howard manage the business affairs of the Quatrain.

HONOR SOCIETY: 1st. Janice Phillips, Secretary; Dave Thomas, Vice-President; Jiffy Volkert, President; Howard Cyr, Treasurer. 2nd. Susan Hitchcock, Pam Gee, Mrs. Sholes, Advisor; Mary Hoag, Esther Manning.

Janice arranges the posters on the C Wing bulletin board, one of the duties of Honor Society members.

BATTELL CHAPTER OF THE NATIONAL HONOR SOCIETY

The Battell Chapter of the National Honor Society works to create enthusiasm for scholarship, to promote worthy leadership, and to encourage character development. With the skillful assistance of Mrs. Sholes, the students in

the Honor Society present an annual induction ceremony and banquet for the new members, take charge of the C-Wing bulletin board, and serve as hosts and hostesses for various school activities.

The members pose in their gowns and flowers at last year's Honor Society Induction Ceremony.

Future Homemakers of America has as its goal the improvement of family and community living, both now and in the future. With Mrs.

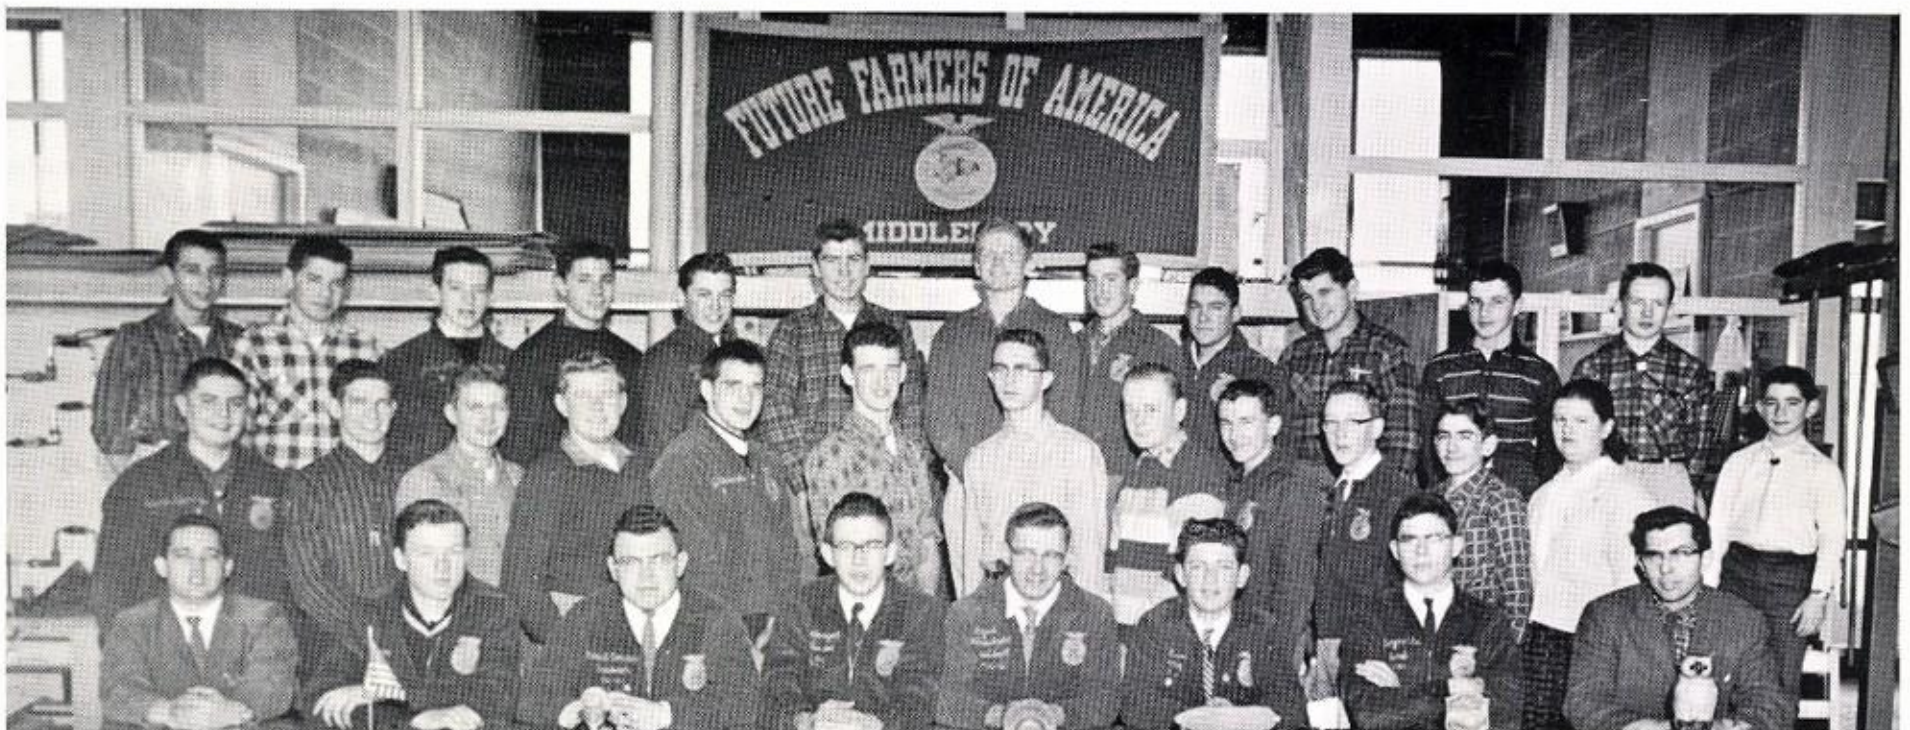

Kennedy as its faculty advisor, this organization attends district and state meetings, and participates in educational field trips and social projects.

FUTURE FARMERS OF AMERICA

Future Farmers of America, the oldest organization in our school, develops competent leadership in rural and agricultural fields. Under the

guidance of Mr. Adams, the group uses both class and outside time for its activities and programs.

F.F.A.: 1st. Mr. MacIntyre, student teacher, R. Gliddon, M. Condon, R. Sargeant, A. Wiederhold, L. Gingras, J. Reynolds, Mr. Adams, Advisor. 2nd. R. Sperry, R. Welch, M. Huestis, L. Wilcox, G. MUHS CHORUS

CHORUS OFFICERS: R. Lambert, Librarian; D. Thomas, President; C. Thomas, Vice-President.

ALL STATE CHORUS: D. Thomas, S. Needham, C. Thomas, M. Betourney, D. Baker, C. Andrews.

Under the direction of Mr. Copeland, the chorus gives students the opportunity to perform musically and to become familiar with the basic elements of vocal music. The activities of the chorus are climaxed by the presentation of a musical production each year, and participation in the spring and Christmas concerts. Several members are sent to the annual All-State and New England music festivals.

Here Mr. Copeland directs one of the music sections. CHORUS MEMBERS: C. Andrews, K. Andrews, D. Baker, L. Batchelder, M. Betourney, B. Bielawski, C. Bourcier, J. Bristol, M. Brouillard, J. Brown, K. BAND OFFICERS: Louella Foster, Vice-President; Linda Davis, President; Earlene Cone, Treasurer.

MUHS BAND

Participation in the band, directed by Mr. Richard Oxley, develops skill on various instruments and promotes musical interest. The band marches at football games, plays at some assemblies, and participates in concerts each year. Recently the band presented a novel Concert and Cake Walk to raise money for new equipment. Each year several members are chosen to represent the school at the All-State and New England music festivals.

PARENTS AND TEACHERS TAKE AN ACTIVE INTEREST

IN THE SCHOOL ACTIVITIES AND FEATURES

The organizations in our school highlight their yearly activities with many interesting features which we all enjoy. Each group or club has its own special event which is anticipated and attended by the rest of the students, the faculty, and the townspeople.

Mr. and Mrs. Gerry chat with Miss Annable on Parent's Night, when an opportunity is given for parents and teachers to discuss the progress of the students. Parent's Night is one of the many school features provided for their interest and enlightenment.

Diane and Jim sell ice cream to support the 1961 Quatrain.

Mr. and Mrs. Wesley spend an enjoyable

evening dancing at the Frosh Reception.

Dick and John serve the guests at the FFA Banquet.

At the Cake Walk, Mr. Oxley auctions off the prize cake to the highest bidder.

SCHOOL ASSEMBLIES

The Christmas baskets on the tables symbolize the spirit of charity held by the students during the holiday season.

Each year our Student Council presents or arranges many assemblies for our enjoyment and education. Traditional assemblies are presented in

honor of holidays, paid assemblies entertain us throughout the year, and athletic and final assemblies make public the presentation of awards.

Mary receives the A.A.U.W. prize in foreign languages from Mrs. Rikert.

Alfred receives an agricultural award from Mr. Adams.

Larry's humorous portrayal of Santa Claus was immensely enjoyed by the audience.

Dr. Freeman presents Dave with the Harvard College Book Award.

Mrs. Potier presents Joy and Pam with second and first place District prizes, respectively, in the Edmund's Essay Contest.

The opening strains of the overture are enthusiastically sung by the "gentlemen of Japan."

THE MIKADO

Bob as the "Mikado" vehemently states his "object all sublime."

Pooh-Bah sings to Nanki-Poo and Pish-Tush about the virtues of "our great Mikado."

Last spring the chorus and dramatics club presented an excellent rendition of Gilbert and Sullivan's *The Mikado*. Directed by Mr. Copeland, Mr. Geno, and Mr. Buley, the cast, choruses, and production committees put on an entertaining show of which they can be justly proud.

Rena makes her grand entrance as the "terrible Kat-isha."

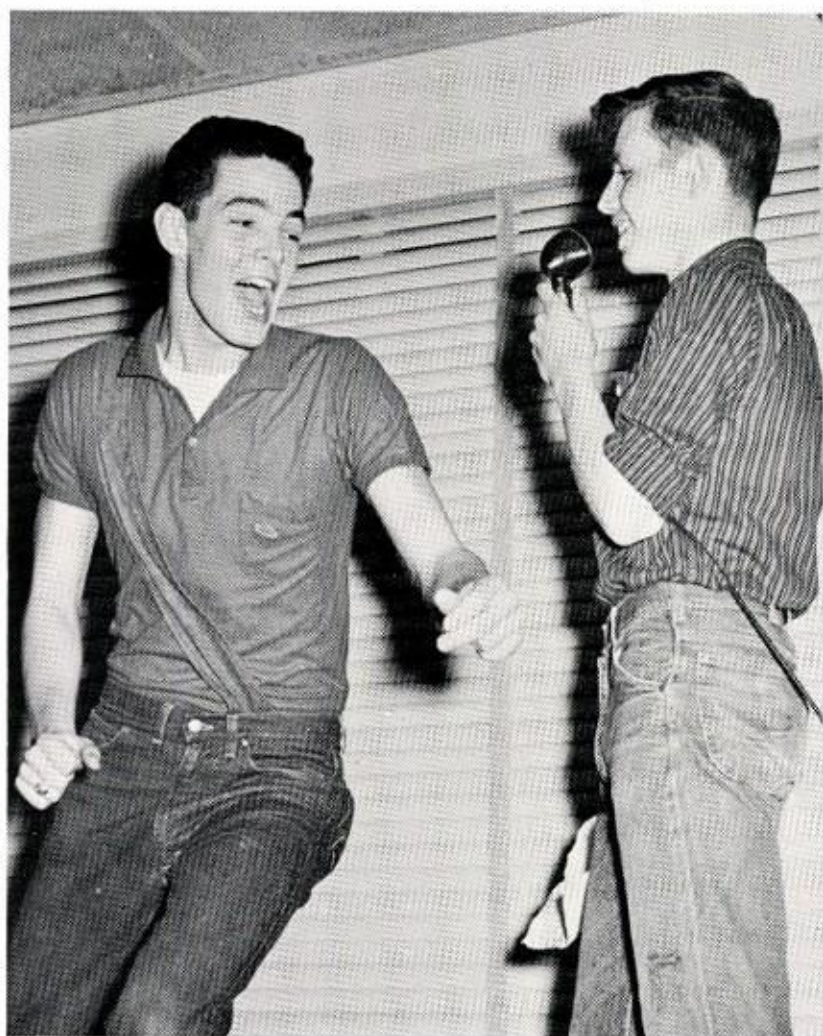

Mrs. Geno expertly transforms Dave into Pooh-Bah, the unscrupulous court official.

The "train of little ladies" makes a graceful appearance.

SADIE HAWKINS DANCE

Mike and Joan stand up to be "hitched" by Mark, Marryin' Sam.

Bill displays his strength as he strains to lift 2,000 pounds.

The school really "rocked" on the night of the Varsity Club's Sadie Hawkins Dance. The crowd of glamour girls and their captive fellows was entertained by pantomimes featuring the Brooker twins as Mammy and Pappy Yokum and John Quesnel in a woman's swim suit. Mark Sanders filled Marryin' Sam's shoes and "hitched up" couples who so desired. Everyone had a rollicking time. The Faculty enjoys an evening at the Freshman Reception.

Larry explains to Bill that he brought his gun to defend himself from a Dogpatch raid.

Barb, Reg, Bev, and Dick sport their glamour duds as they chat between skits.

J U N I O R

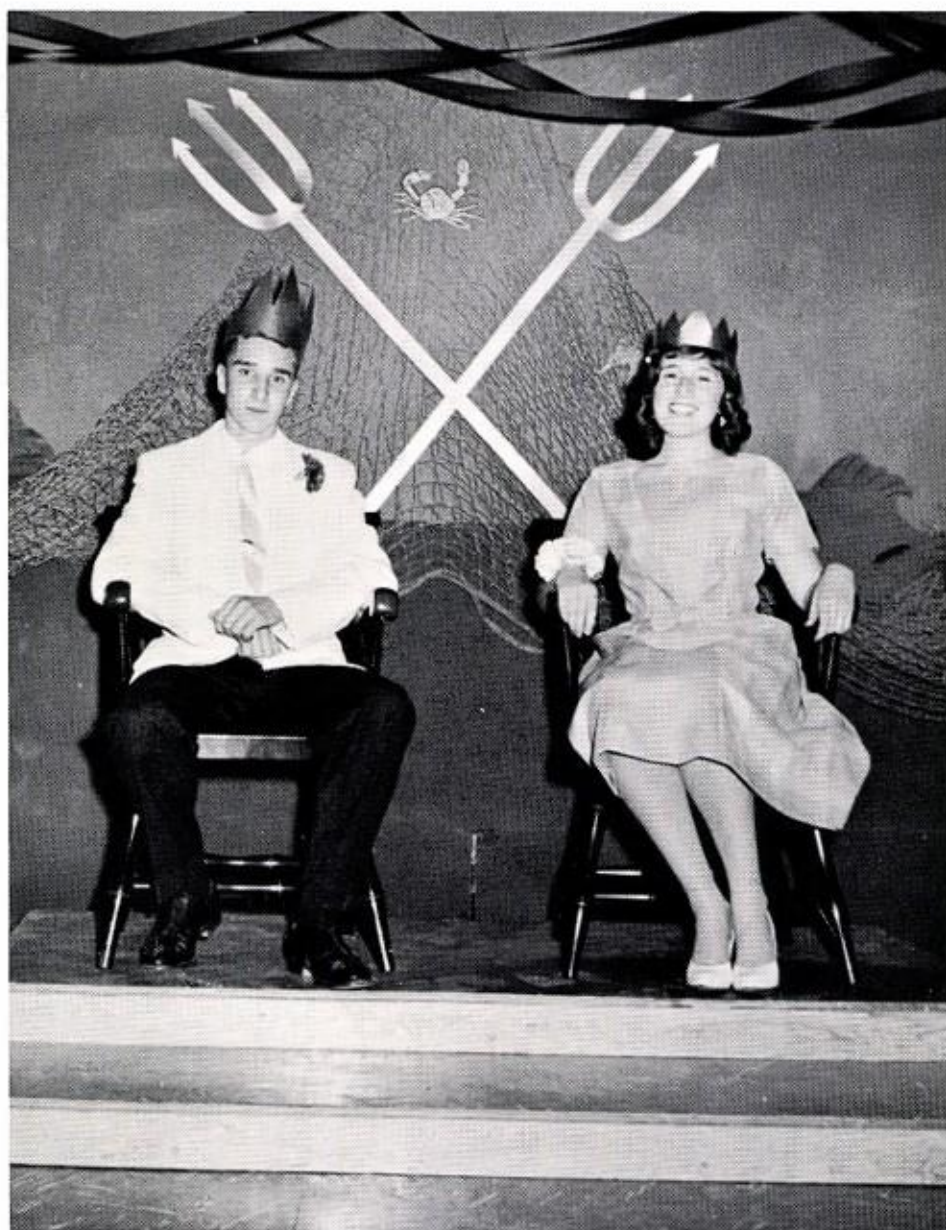

Couples dance in the rustic surroundings of old Cape Cod.

P R O M

The Junior Prom was set in the quaint surroundings of old Cape Cod, complete with checkered tablecloths and candles in bottles. Sharon Wales and Bud Smith reigned while the Catamounts added the musical element most necessary for a "charming" evening.

Bud and Sharon reign at the gala affair.

"Now watch this," says Kathy as she climbs the ladder to arrange a streamer.

Margaret and Charlie, as Jenny and Brack enjoy a few moments of happiness before their final farewell.

The fall highlight of the activities of the chorus and dramatics club was the presentation of the musical *Down in the Valley*. Simple staging and outstanding lighting effects set the background for this well produced show. Mr. Copeland and Mr. Geno directed the presentation.

Couples enjoy themselves at the Football Dance.

At the banquet Coach Teta gives a final word of praise to the champion 1960 football team.

Bucky and Kathy won the doorprizes: an autographed football, and a football pillow.

GRIDIRON BALL AND BANQUET

The Gridiron Ball, sponsored annually by the Varsity Club, presented this year a dance floor cleverly set off by goal posts at either end. The Mello-Tones supplied dancing music for the Queen, Joan Murray, and her court.

Coach Teta crowns a happy Joan, Queen of the Football Dance.

A REBUILDING YEAR

Under the direction of Coach Galascione, the 1960 Middlebury Baseball team compiled a record of 4 wins and 10 losses.

The Tigers played a fine brand of ball all season, but the breaks were not always with them as was indicated by the many close games.

The highlights of the season were a 3-2 win over a strong MSJ nine, and an 18-2 drubbing of Chester in which every starter scored at least one run.

ANOTHER WINNING YEAR

For the third straight year, Middlebury's football team has fought to victory, winning the coveted Marble Valley League Championship. Spurred on by the untiring energy of Coaches Teta, Redman, and King, the Tigers made their bid for the title against some of the best competition the league has seen for several years.

Both the offensive and defensive teams excelled throughout the year. This is easily shown by the record of 183 Tiger points to 64 combined points for the opposition.

Although they were hampered by the loss of sixteen lettermen and numerous injuries, the Tigers completed another fine season with a 5-1-2 record.

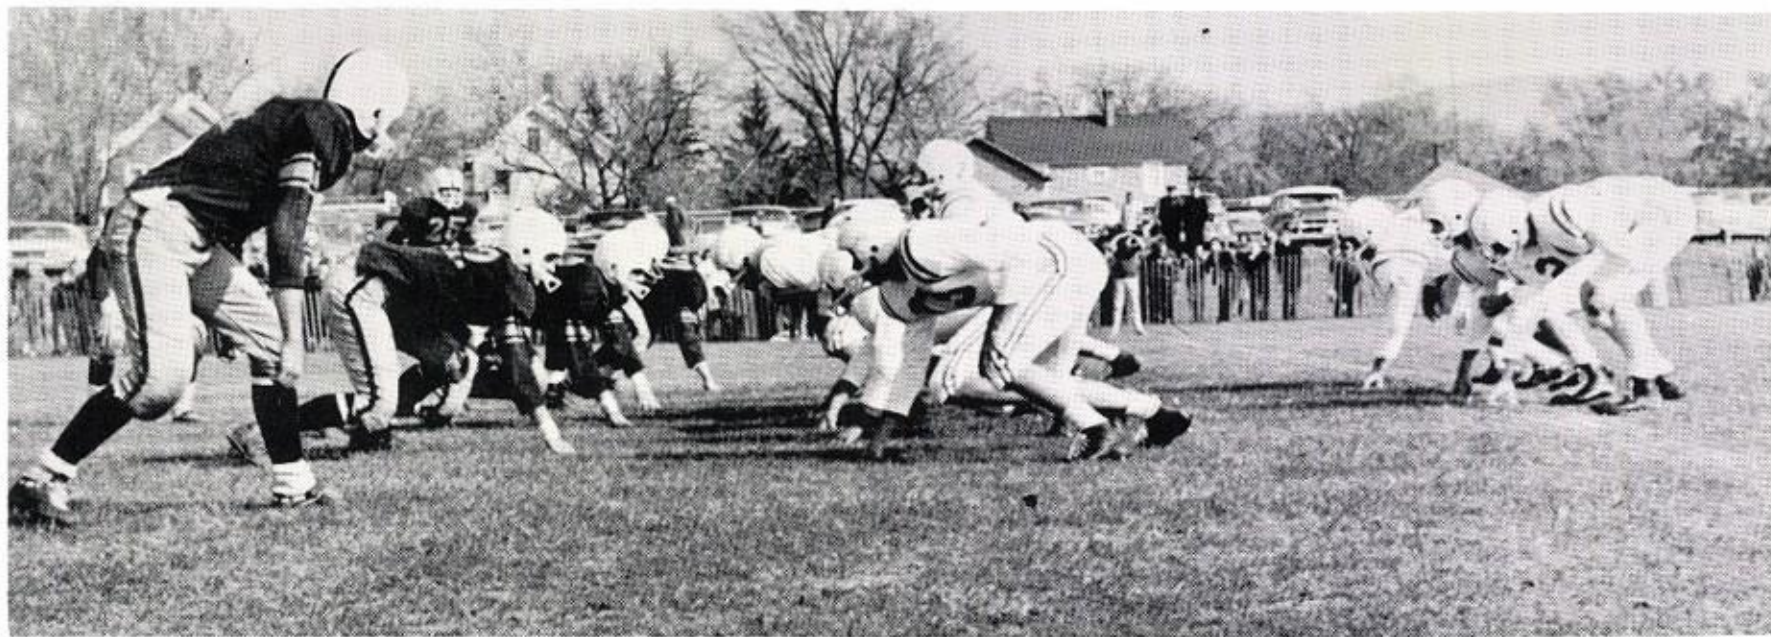

Next year will find Middlebury no longer a member of the M.V.L. in football. At present plans are being made for resignation.

MOST IMPORTANT GAME

Woodstock was the last team to defeat the Tigers in league play in 1957. They were defeated by Middlebury for the M.V.L. title the past two years; and this season's game loomed ahead as a rugged, hard-fought contest.

The Tigers took this game in their stride and handsomely trounced Woodstock 26-6. This game assured Middlebury of the League Championship.

May we cut in?

Hold 'em boys!

Another victory for our coaches and team.

Coach Teta gives a pep talk before the big game.

M. V. L. HONORS

Four members of the Middlebury Union High School football team were named to the 1960 Marble Valley League All-Star squad. Honored were Reg Boutwell, guard, Bruce Burton, back, Peter Burton, end, and Joe Hamilton, tackle. Paul Baker, tackle, and Larry Duffany, center, were selected to the All-Star second team. Honorable mention went to Donald Mitchell, Bill McMeekin, and Maurice Rheume.

Get your man, Tigers!

Bruce Burton, an outstanding back, adds to his yardage total.

SCHOOL SPIRIT: The crowd displays the spirit shown at all our games.

SCHOOL SPIRIT

The spirit, "win or lose, we're with you all the way!", has prevailed at all MUHS games, well attended by enthusiastic crowds which have followed all our teams through their respective seasons. Our school has been fortunate to have not only the backing of its students and faculty but that of the townspeople as well.

HARD COURT WINS STILL ELUSIVE

The Tigers of Coach King went through a rather disappointing season, winning only 3 while losing 15. With a starting line-up next year, however, of 5 former starters plus many talented J.V.'s coming up to the Varsity, the ball club expects a much better season.

UPS & DOWNS ON THE SLOPES

The words "Middlebury" and "Snow Bowl" are synonymous with good skiing, for in the mountains that surround our town is the Snow Bowl, a center which attracts skiers from all over the nation. The students at Middlebury are very fortunate to have easy access to such a recreational area. This year the M.U.H.S. ski team, under the direction of Coach Wesley, attended five meets including the Northern Districts at Mad River Glen and the State competition at Lyndonville.

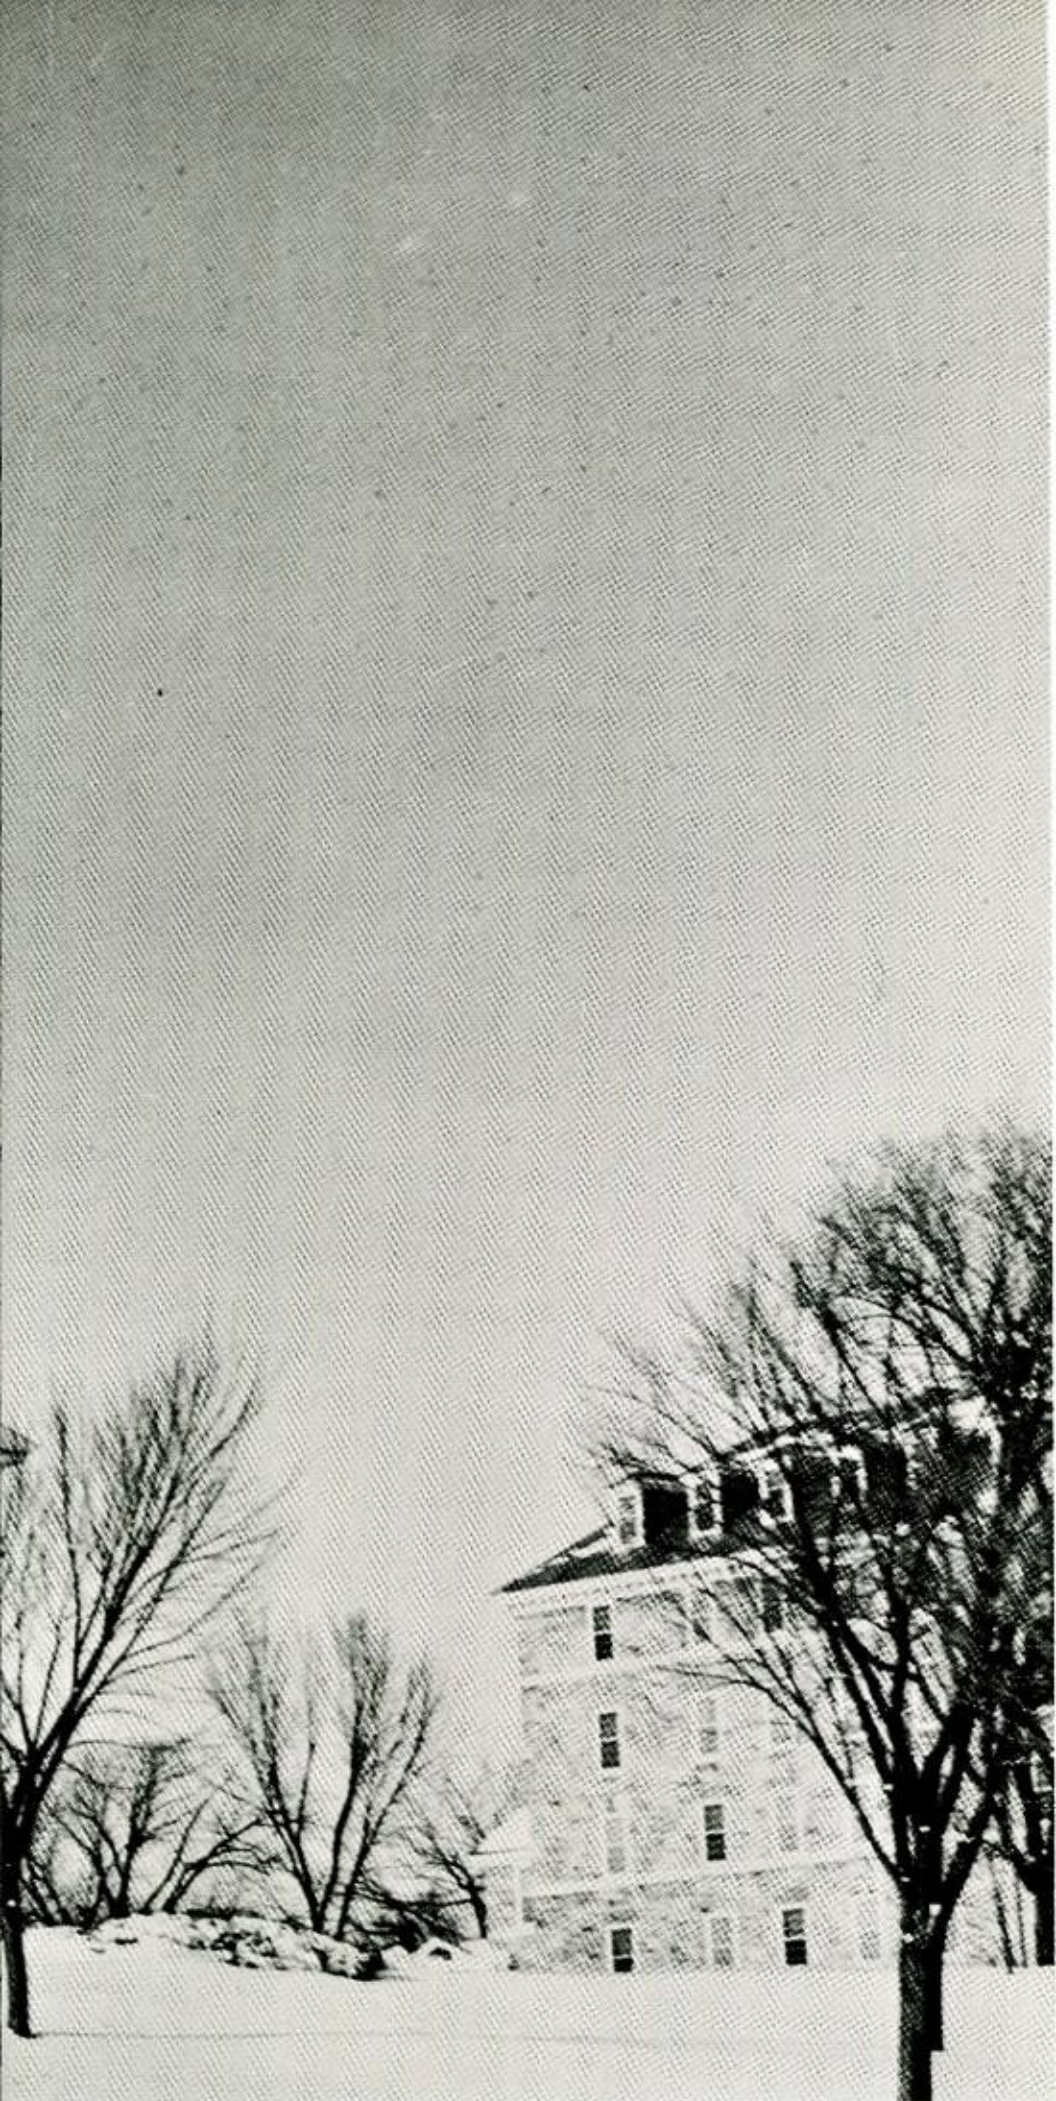

The boys work out after school.

THE END A BEGINNING

Here, at the end of four years of high school, after sharing together many moments of challenge, tribulation, inspiration, and triumph, our paths diverge. However, this end is a beginning for each of us. Our separate futures lie stretched before us.

Some will follow a road hewn by others and traveled many times before. Others will push ahead through unfamiliar fields and forests in a quest for new pinnacles of learning.

Whatever the future holds in store, we will always fondly and nostalgically remember that part of our life's journey traveled together among the lovely
Green Mountains of Vermont.
